Abandoned in Photographs

With November 2019 marking the 30th anniversary of the fall of the Berlin Wall, *Abandoned Cold War Places* is this autumn's addition to Amber's bestselling *Abandoned* series. Uncovering bunkers, submarine bases, airfields and listening posts, the book reveals the stories behind 100 places lost in time. Also new this year are *Abandoned Sacred Places*, exploring temples, churches, mosques and synagogues, and *Abandoned Palaces*, which peers into the faded grandeur of mansions and estates.

Chinese Bound Collection

Amber's Chinese Bound series features both classic and new titles to be cherished in exquisitely produced editions. New this year is *Five Rings*, the 17th century Japanese text on swordsmanship and defeating your opponent. In contrast, *Book of Songs* is a selection from the oldest anthology of Chinese poetry, dating from the 11th–7th centuries BCE. A recent highlight is an illustrated edition of Sun Tzu's *The Art of War* with new commentaries from military historians.

What is Chinese Binding?

In traditional Chinese binding, single sheets of paper are printed on one side only, and each sheet is folded in half, with the printed pages on the outside. The book block is then sandwiched between two boards and hand-sewn together through punched holes close to the cut edges of the folded sheets.
